hich went from Dranse to Jerichow has, so Par, been observed.

50X1-HUM

Comment. The amount of bread delivered at the Infanterie Fasc no, which breaks down to 100 x 1-kilograms loaves a day, tends to indicate that no courses were held in the installation in September.

50X1-HUM

4. Comment. Although motor vehicle is carried with the 50X1-HUM l2th dds Tank Div, the tr in presumably carried a unit of the 9th des Tank Div from Neubranden urg, which probably returned from the known exercises of the division in the Mrow-Rheinsberg-Neuru pin area.
